Seldom if ever before has such exquisite riolin music been heard in the Associa-coms as that rendered by Miss Katherine McCoy, and the only regret expressed by McCoy, and the only regret expressed by the audience was that they could not hear more than the two selections given. Mr. T. Reed Chunn, whose singing is always appreciated by the young men, sang the "Palms," and Miss Lida Berry presided at the organ with her customary grace

This organization was gotten up for the bene-fit of young men, it is an excellent instititor, young men, it is an excellent assi-tution, and if they don't go and take part in its pleasures they will be the losers. The Association desires your presence in order to satisfy you that it is what it has been represented. Go and make yourself at home

The engagements at the Association rooms today will be as follows: 3 p. m., Boy's Gymnasium Class, instead of Wed nesday; 7 p. m., meeting of the Religious nesday; 7 p. m., meeting of the tenigous Work Committee: 8 p. m., Basket Ball in the Gymnasium. Dr. C. C. Owens, who has been kindly acting as Medical Exami-ner, will be at the Association office be-tween 7.30 and 9.30 o'clock this evening to meet and examine all new member who desire to take systematic exercise in the Gymnasium.

Yesterday's Men's Meeting was a good one—in fact, it was in the nature of a surprise. The music was excellent, Rev. Hibbs's talk just the thing for young men to listen to, and the advice given was of to fisten to, and the savice given was the choices, while the attendance, despite the beautiful weather, was way above what was expected. These Sunday meetings are what the men of our city need, and if more would take advantage of them there would be a big change for the better in the morals of our city. Make your arrangements to attend next Sun-day's meeting.
